Sorry, Tami,
Also, have you heard from the tribes and agencies as to who and how many individuals will be attending the potluck?
Thanks again.

Hi Dorothy,
My understanding of the "list" being shortened is a funding decision and wanting to minimize the footprint of so many travelers, for example, the cost of bringing them from Washington D.C. We still have the Administrator, AA for OITA, and the R10 Administrator, so that is good news. The Administrator is also shortening her visit in Alaska because she is headed to the Gulf of Mexico, however she is still planning to be in Dillingham on Wednesday. The list is as follows:

Lisa Jackson, EPA Administrator (plus 2 security personnel)
Michelle DePasse, OITA Assistant Administrator
Elle Beard, Special Assistant OITA
Jeff Besougeloff, AIEO
Dennis McLerran, EPA R10 Administrator
Patricia McGrath, R10 Mining Coordinator
Tami Fordham

Thanks for your patience and understanding.

Sincerely,
Tami

Hi Tami,
Why did the EPA folks go from 16 to 9 or 10? Could you please update us on who with the EPA will be in Dillingham?
Thanks and see you in a couple of days.

Hi Billy,
The number of EPA folks traveling is now at either 9 or 10. Also, I have the utensils (plates/napkins/cups/utensils), but EPA will not be able to get the drinks, sorry. I am trying to sort through my emails to see which tribes will be sending people to Dillingham.

Thanks - Tami

Hi Tami,

Great job.....you must be running around like a chicken with her head cut off. Dorothy, Sue and I think it would be great if you guys could

not only pick up the Vitamin Water in Anchorage but also the paper stuff such as paper plates, utensils, napkins, and cups. I always get that sort of stuff from Costco when I travel in. As for quantity I would plan on at least 100 each. Let's just say we're going to do our best to keep it at 100. This could go wild and crazy on its own. LOL! Anyway, if you think you could cover that, we'd definitely appreciate it. I will leave the brand up to you just keep in mind "sturdy". Thanks again Tami for your time and patience.

Billy

Sorry for the confusion on this email, I meant to type Dillingham. We are not planning a tribal leaders listening session in Anchorage. I was going way too fast the other day. Talk to you all at 130PM.

You have seen the message about the revised itinerary. I wanted to let you know that EPA will not be meeting with Pebble in Dillingham. EPA will hold this meeting in Anchorage. Thank you for your suggestions yesterday. If you want to have another planning call, we could talk on Wednesday at 130PM,

That will allow us to go over any last minute details. I will have another call with the tribal governments who decide to travel into Anchorage so that we can discuss the tribal leaders meeting. The last hour of the meeting is a focused meeting where Nunamta, the Lake & Peninsula Borough, Bristol Bay Borough, BBNC, and the City of Dillingham would be able to share their perspectives on the proposed Pebble project. I will be sending the invitations on Monday. Thank you for your assistance in planning the day in Dillingham. Have a great weekend.
